

eBill Facts

WSU Electronic Bills are here!

Wayne State University is pleased to begin providing electronic billing (eBill) to students! The new WSU eBill lists itemized tuition, fees, payments, and financial aid -- just like the current paper billings. Students are notified by e-mail as soon as a new eBill is available for viewing. Once the new eBill is available it can be viewed and printed utilizing WSU Pipeline. Both paper and eBills will be available through November 2008. Thereafter, self-service eBills will become WSU's sole and official billing method. Paper billings will be eliminated.

Features and benefits of WSU eBills are:

- Secure, flexible, and convenient online self-service to view and print WSU eBills - 24 hours a day, 7 days a week from any computer with Internet access!!!
- Quicker receipt of WSU billing statements, as students get an e-mail when a new eBill is available - No more waiting for a bill to arrive in the mail. No more lost mail.
- Secure and easy login to WSU Pipeline with a student's WSU AccessID and password.
- Easy link to pay by credit card or e-Check (ACH/Auto-mated Clearing House payment) on a secure Website.
- Quick reference to statement history (up to 6 months of prior statements).
- Ability to print a copy of the eBill for your employer, parent, or sponsor.

Fall 2008 eBill Schedule

Billing Dates	Payment Due Dates
08/01/2008	08/29/2008
09/01/2008	09/15/2008
10/01/2008	10/15/2008
